IMPORTANT SAFEGUARDS

READ ALL INSTRUCTIONS BEFORE USING.

When using an electrical appliance, basic safety precautions should always be followed, including the following:

9. Do not use outdoors.
10. Do not let cord hang over edge of counter or table or touch hot surfaces.
11. Keep hands and utensil away from the cutting blade while chopping food and out of container while blending to reduce the risk of severe injury to persons or damage to food chopper. A scraper may be used but only when the chopper or blender is not running.
12. BLADES ARE SHARP. HANDLE CAREFULLY.
13. To reduce the risk of injury, never place blades on base unless the bowl or jar is properly attached.
